

New for Fall 2025

We are excited to announce that Carolina FC has been accepted into the **US Club Soccer-National Premier League (NPL)**. This prestigious platform offers elite players the chance to compete in regionalized leagues, fostering growth for players and coaches at the highest levels. Carolina FC will participate in the **South Atlantic Premier League (SAPL)**, part of the NPL network. Players selected for the NPL program will train once a week in **Sanford** as a combined group, as well as 2-3 days per week with their Carolina FC Classic team. This structure allows players to benefit from both localized team development and higher-level competition on a regional stage.

NPL Info

- Boys and Girls, U13–U19
- Regionally recruited team to maximize talent
- National Showcases
- Access to high-quality coaching and resources including a College Recruitment Coordinator
- Match recordings & Film Reviews

There are additional costs to participate in NPL, reflecting the enhanced competition, training opportunities, and resources provided.
